MILLBURY - Students in Linda Simulavich's 3rd grade class at the Shaw Middle School showed their creativity by decorating pumpkins for Halloween. Pictured above (front row) l-r: Sean Giedrys, Richard Cerrone, Chris Gauthier, Andrew Knight, Nicole Prue, Aimee Rivera, Cory Roberts. Second row (l-r): Joanna Grigas, Peter Wolochowicz, Amanda Salois, Brian Choiniere, Christie Henault, Robert Rainville, Jr., Lea Savasta, Erika Nelson. Back row: Kerri Paquette, Sean McCullough, David Staruk, Jr., Joseph Sarcione, Matthew Krumsiek, Abigail Curtis, Suzanne Koza, John Garnevich.

Who was that?

CHRONICLE photos by Alexander A. Belisle

MILLBURY - How many of you noticed Millbury Parks Department employee Steve Couture dressed up as Highway Superintendent Joe Chase for Halloween? Or was that Joe Chase dressed up as Steve Couture?

The following students were chosen by the faculty for having the most creative pumpkins: (L-R) Peter Wolochowicz, Joe Sarcione, Amanda Salois, and Sean Giedrys: Is that second pumpkin from the left a clue to the identity of Millbury's new chief?

Horribles Parade

MILLBURY - Rainy weather forced youngsters at the Elmwood Street School to participate in their annual "Horribles Parade" inside the school this year.

November Star Performers

MILLBURY - The Raymond E. Shaw Elementary School has announced the following Star Performers for the month of November: Front row (l-r) Laurie Plante, Jenna Pojani, Lea Savasta, Kristin Noble, Timothy Young. Middle row: Joshua Harris, Robert Kniskern, Kristen Fournier, Jennifer Bien, Matt Cloutier, Adam Woelfel, Ann Kach, Sara Nason, Kristin Wilczynski. Back row: Ryan Potter, Andrew Marble, Sara Bien, Kim Ganoe, Josh Cloutier, Ron Perkins, Kelley Henry. Star Performers are chosen by the staff of their respective grades as the type of student who demonstrates good citizenship, academic application and an overall attitude that la a role-model to their peers. Absent when the original photo was taken were Star Performers (right photos, top to bottom) Cheryl Deslmone and Andrew Raffa. Congratulations to all!

We The People...

Thank You...

I would like to take this opportunity to offer my sincere appreciation for your generosity and support for the 8th Annual Massachusetts "Police Chiefs Run For Jimmy Fund." Your contributions totalled $2910.00.

While it is always difficult to establish priorities when faced with numerous appeals for financial contributions, the Jimmy Fund has long been established as a worthwhile crusade. Through work underwritten by the Jimmy Fund, research and treatment in pediatric cancer has led the way to a most effective treatment of cancer in adults. Your generous contributions allow this work to continue.

Again, I would like to say thank you on behalf of the Jimmy Fund, the Massachusetts Chiefs of Police Association, and most importantly, the many young cancer victims who will benefit from your generosity.

Ronald R. Stokowski
Chief of Police
Millbury

Thank You...

The Millbury Super Park Committee would like to congratulate the winners of the 2nd annual Halloween Party for Woolie World. Prizes for best costume were awarded to Kevin and JoAnne Gaulin, Barbara Russo, Michelle McGrath, Christine Carlo, Dale Parenteau, and Kathy Beeman. The winner of the night's stay at the bed and breakfast went to John Spain. The committee would like to thank everyone who helped to make the night a success.

Millbury Super Park Committee

Another Point of View

The Grass Is Brown On Both Sides Of The Border

By Lawrence Moore

Since last I wrote about Health Care costs; my views seem to have become the subject of controversy. More people seem to be concerned about Health Care cost than about any other aspect of their lives. And well they might. Costs have risen insidiously, almost imperceptibly, over the last 10 years, until today they represent not only one of the largest fixed costs people face, but a cost that has become a decisive factor in choice of job, choice of relocation and choice of style of life.

It is not unusual for health insurance to cost a family nearly $1,000 a month. It is not unusual for the health plan offered to be the deciding factor in a job decision. It is not unusual for a family to refuse relocation because of the health plan available. And it is far from unusual for a family to forego a new car, to skip a vacation, or to be unable to send a child to the school of choice.

Many I've spoken with look with longing across the border to Canada, which has a National Health Plan. Most of them, and probably the vast majority of envious Yankees, haven't the foggiest idea of how the Canadian system works....or doesn't work. It's true the paperwork is simple, there are no competitive plans, no forms to fill out, the physician gets a single payment from a single source, and the hospital gets a total yearly budget. Administrative costs are about one tenth of ours.

If all that is true, why are Canadians looking to our system for something better? Simply, no system is perfect, and as long as our common health problems afflict us, health care will be a problem.

What are Canada's problems? First, the Government is the sole employer and provider. The delivery system is almost totally unionized and the fee schedule is centralized. Guess what! After a peaceful first five years without strikes and lockouts, in the most recent five years 174,518 person days were lost. Writing in the Wall Street Journal, Michael Walker, Executive Director of the Fraser Institute, a "think tank" in Vancouver, reports a 17 day nurses strike in British Columbia that completely shut down the system. A patient, certified for quadruple bypass surgery, waited for three months while the list of eligibles grew from 400 to 800. His solution was to go to Detroit, Michigan for his surgery.

According to the Journal of the American Medical Association, in order to clean up the backlog caused by the strike, British Columbia sent 200 patients to Seattle, Washington for bypass surgery. The Provincial Cardiac Society in British Columbia estimates that 12 to 20 patients of the 800 eligible died waiting for surgery that never came.

Want something closer? An arthritic resident of nearby Canada, unable to get service on the schedule he needs, comes to Worcester every 6 weeks for injections. He pays for the treatments. He cannot do that in Canada because the Canadian system prohibits user fees or co-insurance payments, what we know as balance billing.

So Canadians look to our decentralized, multi-supplier, competitive system as an improvement over theirs, which they consider unresponsive and overly restrictive. Theirs is free, or rather paid for by hidden taxes, and the service is adequate if you can wait long enough, or if not too many emergencies delay your appointment. Quoting Walker, "It is questionable under the circumstances whether the United States should look to Canada for solutions to health-care problems." Yet we envy the Canadian federal Health Care Act, and they envy our decentralized competitive system. There is no greener grass...the grass is brown on both sides of the border.

Millbury Selectmen's Meeting Digest

Board Hears Proposal for Roller Skating Rink on Howe Ave.

By Edward J. Cooney

MILLBURY - The October 29 Selectmen's meeting convened shortly after 7:00 P.M. with all members present.

Millbury Ave. Intersections

Administrative Assistant Earl Chase gave a brief report on a problem relating to the traffic island at Millbury Avenue and Riverlin Street that he and Highway Surveyor Joe Chase reviewed recently. He said the State D.P.W. recommends that there be a channelized island with raised Cape Cod berms which basically conforms to the original construction drawings as painted on the surface of the road at the intersection.

The Board voted 5-0 to go with the recommendations presented by Chase.

Regarding the Millbury Avenue/Howe Avenue intersection, Chase recommended that the present yield remain since there haven't been many problems there. He noted that he was not recommending any change rather than spend large sums of money which would be required to meet the recommendations of the State. Those recommendations would require reconfiguration of the intersection at a 90 degree angle and a channelized raised island. "It would be a major expense to redesign it," said Chase.

Miscellaneous

- Selectman Roland Lachance tendered his resignation as Clerk of the Board due to the lack of time he has to give to the position to prepare for the weekly meetings. The Board unanimously endorsed Gerry Bleau for the position.

- The Board approved a draft of a letter to the Executive Office of Environmental Affairs indicating the Selectmen's approval of proposed changes to be made in the original agreement for the proposal to build a jughandle and install traffic signals at the entrance to the Latti Farm Industrial Park on Rte. 20.

- Veterans Agent Phil Buso has agreed to work with the Personnel Board to assist them in developing a Classification Plan for Town employees.

- The Board is looking to the Fiscal Responsibility Committee for some ideas relating to possible changes in the way the sick bank operates. Selectman Donald Gauthier, a member of that committee, said the Committee is working every Monday night to accomplish their goals.

- The Board voted unanimously to grant a Common Victualer's License to Karen McGovern to open a restaurant at the former Millie's Kitchen on Main St.

- Town Collector Marie Colacchio has volunteered to serve on the Contract Negotiating Committee for Town Hall employees in collective bargaining units.

Time Clocks

Chase gave a brief report and a draft for recommendations as to who would be affected by the recent decision to install a time clock for town employees to establish a uniform and more efficient procedure for the preparation of payrolls and verification of attendance. The Departments to be affected, as proposed by Chase, would be: Selectmen's office, Auditor, Treasurer, Collector, Assessors, Town Clerk, Planning Board, Board of Health, Building Department, Sewer Commission, Veterans Services, Council On Aging, all police officers, dispatchers, police clerical and police details, the Waste Water Treatment Plant, Highway Department, Parks Department, Tree Warden, Library, Landfill, Central Cemetery, School Department Secretarial, Custodians, and Cafeteria personnel.

Employees to be excluded are elected officials, committee members, salaried administrators, crossing guards, call firemen, forest fire warden, building department inspectors, and teachers. The physical processing of the time cards will be worked out by the Auditor and the Treasurer. The policy or procedure for utilization of the time cards is to be worked out by the Personnel Board. The projected cost is as follows: (5) electric timers @ $200 each; time cards @ 150x52-7800 at $5.00/card=$390.00.

Selectman Bernie Plante asked why salaried administrators and teachers were excluded.

Chase replied that they are not paid on an hourly basis.

Plante remarked that he couldn't buy into everyone but the bosses being asked to punch in and out.

Later in the meeting, the Board returned to the discussion on time clocks, with Cristo suggesting that Chase sit down with the treasurer and the auditor to discuss the mechanics related to the implementation of a time clock.

Gauthier noted that each department would handle their own cards and then get them to the treasurer.

Bleau said there are a lot of issues involved and noted that this would be a bargaining issue.

Cristo said if it is a bargaining issue, then policies and procedures will have to be established.

Bleau said policies and procedures would lie with the Personnel Board.

The Board will continue discussions at another meeting.

Roller Skating

Randy Lennox presented the Board a request for permits for a common victualers license, a Sunday entertainment license, and a license for three coin operated video games for a proposed roller skating rink to be located at the former Ballard Motors property he proposes to lease on Howe Avenue. He said he would be landscaping the outside area and installing a solid wood floor with seating for onlookers. Off street parking will be available for 53 cars.

A maximum of 300 people would be allowed in the building. The building will have a new sound system, and the outside concrete walls will have a styrofoam-type insulation to keep the sound inside. Lennox said the music system will not be cranked way up. He said he expects the rink to do well even though two other rinks in the area are closing down. He

SELECTMEN from Page 3

cited the fact that Millbury is different in population to the other two locations and said he would emphasize a family type business with strict controls both inside and outside.

Chase suggested that Lennox check with Town Planner Dave Hulseberg to see if a roller skating rink is a permitted use in that area.

Lennox said he has already checked with the Planner and was told to return when he is ready to go ahead. He also said he was considering Spring to complete the landscaping but after talking to the Planner decided to do it this fall and hopefully open in December.

Bleau asked if abutters were notified as some may have concerns with the advent of possible loud music coming from the sound system.

Lennox said he spoke with abutters at the businesses next door.

Bleau asked if he had spoken to abutters across the street.

Lennox said he had not as yet.

Board Chairman Jude Cristo noted that the Board has a built in mechanism when it comes to issuance of an entertainment license, which could be revoked if there are too many complaints.

Gauthier asked how the kids would be controlled.

Lennox said he would have monitors in and out of the building, and "at least two very big and intimidating people" of the ten he plans to hire to work at the rink.

Lachance asked how he expected the rink to do since he mentioned that others are closing.

Lennox said he expects to run a friendly, family-type establishment that would be much different than those that are closing. He said he would promote it as such and would not allow problem kids on the property. He also said he would press charges if necessary, and do it right at the start so as to not have to play catch up later on.

Gauthier moved to take the matter of the three license requests under advisement.

Cristo said the Board could resolve the matter next week and not procrastinate for two or three weeks. He noted that people will hear or read about the rink and will be in next Tuesday if they have any comments.

Bleau suggested that the Town Planner make a report next Tuesday.

Lachance noted that if it is legal and within the zoning requirements, there is not much the Board can do.

The Board approved taking the matter under advisement on a 5-0 vote.

Executive Session

At 8:05 the Board secluded itself in executive session with Labor Counsel, Attorneys D. Moschos and John Chinian, for the purpose of discussing matters pertaining to collective bargaining.

Dog Hearing

The Board discussed and voted on the disposition of a dog hearing complaint that was taken under advisement last Tuesday. The complaint concerned an alleged attack of a dog owned by Sten Brote of Davis Road on two goats owned by Roland and Kay Lachance of Davis Road.

Cristo read a letter from the veterinarian at the Tufts Veterinary School in Grafton who responded to a call for assistance from the Lachances. The letter noted the condition of the two goats upon arrival at the Lachance's home and the care provided at that time and for a subsequent period of two weeks.

Selectman Lachance stepped down from the Board and sat in the audience.

Dog Officer George Royal was asked by Cristo to report on his findings upon further investigation.

Royal said he went back up to Davis Road, Dolan Road, Sunset Avenue, and South Oxford Road, and asked everyone he saw walking or outside whether they had ever seen a dog fitting a description he gave them. He said 100% of those asked stated that they had never seen a dog fitting that description.

Lachance testified that he and his wife have been raising goats over the past 11 years and have had no problems with dogs of any kind. He went on to describe the events that took place, with his wife coming home hearing noises in the barn and chasing off a dog that had attacked their two goats. He said her description of the dog was based on the horror she witnessed and the fact that she saw the dog up close as she chased the animal away. Lachance said a dog seen riding in the back of Brote's truck fit his wife's description. "No way did she identify the dog from the pictures taken by the Police a week later," he said.

Cristo told Lachance he had no doubts about either his or his wife's integrity but wanted to make sure without any reasonable doubt what the facts were since two individuals have related different facts. "I wanted to make sure that there was no reasonable doubt and that was one reason we asked Dog Officer George Royal to do more checking," he said, "since there was a Selectman involved. We want to make sure that everyone that comes through that door gets a fair shake."

The Board voted 4-0 vote that the Brote dog did maim and injure the Lachance's two goats. They also voted 4-0 to banish the dog from town. It was noted that the dog is not presently housed in town.

Jonathan Dr. Resident Seeks Support

The Board acknowledged a letter from Richard Bloch of 3 Jonathan Drive, off Grafton Street, requesting the Town's support in resolving what Bloch alleges are building code and sanitary health code violations on his property. Bloch indicated that he made complaints to the Board of Health concerning venting odor problems related to his in-ground septic system which he claims is in violation of state code under Title 5.

Bloch explained that his family moved into their new home in September of 1990 after an occupancy permit and other necessary permits were signed off by town officials and the builder. Since February of 1991 when his complaint was issued to town officials, none of the problems have been resolved, he said.

Bloch, who was present, acknowledged that he is in litigation with the builder and all other principals but is not in litigation with the Town. He said his problems are similar in kind to those at Paul Revere Village. He also said that the Department of Environmental Protection is now involved in relation to one of the complaints.

"The Building Inspector has indicated that he is only part time and couldn't get to see everything. Well," Block said, "that doesn't hold water. I am not looking to go after the Town. I'm not trying to hang anyone. I want the problems resolved. I want the Town to back me up and write a letter to the builder indicating things should be corrected."

Cristo said the Board will refer the issue to Town Counsel for advice on how to protect the Town overall.

Bloch said he had no problem with that, and repeated his statement that he was not looking to hang anyone. He said he understands the town's position, "but the bottom line is,

people have to be held responsible. The problems I have encountered should never have been allowed to happen if the proper people were doing their job correctly and professionally," he said.

Cristo told Bloch the Board will get back to him after passing the matter by Town Counsel and will continue to discuss the issue with him as long as the Town is not in litigation.

Bloch replied that he was not really looking to sue the town, but said he is suing the builder, Famirco, Lavallee Engineering, Forrow Builders, "and others involved."

1992 Parade Date Set

MILLBURY - The Millbury Lions Club has announced June 28, at 1:00 as the date and time of next year's Independnce Day Parade. Announcement was made at this time so that businesses and churches can schedule thier events accordingly. If any conflicts are anticipated, contact the Lions Club.

Infertility Support Gathering

WORCESTER - Have you experienced or do you know someone who has experienced the pain and trauma of infertility? If so, attend a get-together for support, information, and socializing led by local Resolve members and professionals. The topic will be: "Coping With The Holidays." This event will take place Monday, November 11, from 7-9 p.m. at 131 Lincoln Street.

Christmas Craft Fair

MILLBURY - The Millbury Council on Aging and the Friends of the Millbury Seniors will hold a Christmas Craft Fair on Sunday, November 24th, from 10 a.m. to 4:00 p.m. in the Senior Center function room at the Asa Waters Mansion, 123 Elm Street. Along with the many craft items, a bake table, a raffle table, a white elephant table, and a coffee "and" area will be featured.

Ski and Skate Swap

MILLBURY - The Millbury Jr./Sr. High Ski Club will sponsor a Ski and Skate Swap on Saturday, November 9, from 9-2:30 at the High School Cafeteria. Strands ski shop will be there to sell both used and new equipment. If you have equipment you would like to sell, you can bring it to the school Saturday morning. It wil be tagged and put up for sale. If you sell your equipment, 20% of the sale goes to the Ski Club. Clean out that closet or shed, and get rid of those skates and skis that no longer fit. Any questions, call 865-3896.

Word Processing Workshop

MILLBURY - Adults wanting to learn word processing can sign up for the Millbury Public Library's new computer workshop designed to teach the basics of word processing using an Apple computer and easy to use Bank Street Writer software. Call the library for times and dates. Registration is necessary, and seating is limited.

Children have another chance on November 21 at 3:30 to learn how to create their own banners, cards and fliers in a basic computer graphics course. Registration starts on November 19.

To register for the computer courses, or for more information, call 865-1181.

Millbury Parents' Club

MILLBURY - For this month only, the Millbury Parents' Club will meet on Thursday, November 14, at 7:30 p.m. in the Media Center at the Shaw Elementary School. A demonstration by "Darlene's Floral Boutique" will be the program for the evening. Four floral arrangements will be raffled, and refreshments will be served.

Youth Center Discussion Group

MILLBURY - The Youth Center will begin a teen discussion group starting Monday, November 11, from 7-9 p.m. and every Monday thereafter. Discussions will center on subjects that affect today's youth. Counselors from YOU Inc. will conduct the programs.

Food Collection

MILLBURY - Cub Scout Packs 108 and 109 are participating in this year's food collection program during the week of November 9th through the 16th. One of your neighborhood Cub Scouts will be coming to your house to pick up goods or to leave a yellow tag on your door with further instructions. Your donations will benefit the Worcester County Food Bank, Friendly House, or Fair Share. Suggested items are canned fish and meats, soups, beef stew, chili, pasta. Nothing perishable, frozen or in glass.

Harvest Craft Fair

SOUTH GRAFTON - St. James Church, 89 Main Street, will hold its annual Harvest Craft Fair on Saturday, November 16, from 10 a.m. to 3 p.m. There will be tables featuring handcrafts, Christmas crafts, homemade baked goods, quilt raffle, Chinese auction, house plants, and knitted items. A white elephant/garage sale will also be part of the day's features. For the children, games, face painting, balloons and pictures with Santa will be available. The luncheon menu will offer hamburgers, hot dogs, turkey salad sandwiches, potato chips, pickles, beverages, and homemade pies.

Students Attend Conference

MILLBURY - Members of the Millbury Jr./Sr. High tech team made a formal presentation at the recent Massachusetts Computer Users Education Conference. Mike Ebert, Scot Vayo, Brian Rossi, Brian Chase, Paul Raffa and Neil Langevin addressed a crowd of 125 educators representing elementary and secondary schools and colleges. The students demonstrated the use of Hypercard computer technology. From all reports received, their presentations were excellent, and the audience responded by giving the team a standing ovation.

Art Lessons at Sutton Library

SUTTON - Would you like to learn how to make a pre-Columbian creature pot out of clay-or the techniques used by the Impressionists-or why and how American Indians made Kachina dolls? You can learn about these art forms by attending a series of art workshops at the Sutton Free Public Library for only the cost of materials. Each class will consist of a slide presentation followed by a hands-on art activity resulting in a finished product.

Register for the three-week series at the library as class size will be limited to 18. The lessons will take place on Saturdays, November 9, 16, and 23. Six to eight year olds will meet from 10-11:30 a.m. and nine to twelve year olds will meet from 11:30 a.m. to 1 p.m. This program is funded by the Massachusetts Arts Lottery as administered by the Sutton Arts Council.

Appointed Coordinator

MILLBURY - Leslie Vigneau has been appointed the coordinator of the Millbury School Connection. A long time resident of Millbury, she and her husband Bob have two sons, Michael, eleven, and Robbie, nine, both students at the Shaw school.

Vigneau is a graduate of Millbury High School. She pursued a teaching career at Springfiled College where she received a degree in Elementary Education and Rehabilition. Upon graduation, she became a permanent substitute in the Millbury School System.

When not teaching school, Vigneau is either teaching Sunday School or serving as a Cub Scout group leader. She is also a member of various community groups including the Millbury Women's Club, the Historical Commission, and the Parent's Club. In her spare time, she enjoys outdoor activities, baking, sewing, and crafts."

Vigneau said she is determined to help bring continued success to the School Connection. "The involvement of the parents in the schools is as important to the children as the teachers," she said.

Anyone wishing to volunteer in the School Connection can reach Vigneau at either the Elmwood Street School, 865-5241, or the Shaw School, 865-3541.

Honor Society Inductees

SUTTON - Eleven students from Sutton High School were inducted into membership in the Donald G. Schwab Chapter of the National Honor Society at an evening banquet and ceremony held at the school on October 24. New members were selected by the Sutton High School Faculty Council for meeting high standards of scholarship, service, leadership, and character.

Students inducted were: Dennis Bellville, Jason Crosby, Craig Giguere, Brandon Kibbe, Jenna Kurowski, Laurel MacCollom, Harvey Maki, Jennifer Moore, Kieran O'Callaghan, and Daniel Sjogren.

Conducting the induction ceremony were: National Honor Society President, Jodi Page; Michelle Brazeau; and Christine Laydon. Also assisting in the ceremony were: Jena Murray, Vice President; Kristen Levins, Secretary; Geoffrey Fox; Ann Robbins; Kathleen Snell; Stephanie Sokol; Jennifer Spring; and Jessica Trask.

Another highlight of the evening was the presentation of the 1991 National Honor Society Service Award to Joyce Ettamarna, a biology teacher for 20 years in Sutton.

Treasurer Updates Board

By Lawrence Moore

SUTTON - The Sutton Selectmen's Meeting of October 29 was opened at 7:30 by Chairman David Strieby. In attendance were Selectmen Wally Johnson, Mike Chizy, Rick LaBonte, Mary K Connor and Town Administrator Dexter Blois.

Correspondence

Strieby noted a letter from Eagle Scout candidate Matthew Burns, a Life Scout of Troop 131. His project will be the repair of the window and door screens of the main lodge at the Town Beach at Marion's Camp. Twenty six windows and five doors will be repaired using hardware cloth and insect screening. Existing frames will be utilized or replaced. Windows with broken glass and insecure doors will be boarded over. The Recreation Commission has approved the estimated expenditure of $350. Neil Newton and other Recreation volunteers will supervise the project.

Strieby suggested that the Board acknowledge and compliment Burns, saying, "It's quite an undertaking for a 14 year old to propose."

No action was needed to be taken on a routine notice from Ackerly Communications offering an opportunity to comment on the billboard at Marble Road and Route 146. Billboards are regulated by the State. No comment is needed if the town has no suggestions or complaints.

A letter was received from the South Grafton Water District recognizing the fire hydrant problem in Sutton and offering "permission to use the hydrants from our district in the event of a fire or other emergency."

"Totally unsolicited, I might add," said Blois. Sutton will reimburse the District .40 cents per gallon used, the amount to be reported by Fire Chief Peterson. A gracious thank you letter was sent by Blois for the Board.

Strieby announced a Local Redistricting Workshop at City Hall in Worcester on November 14 under the auspices of the Local Election District Review Commission.

Johnson reported Police Sergeant John Hebert's gratitude for the Board's recognition of his graduation with a grade of "B" from the Babson College "Command Training Institute." The three week program for Sergeants and higher will give him six points toward his Bachelor's Degree at Anna Maria College.

Blois announced an invitation to a meeting with the Recreation Commission to discuss the Town Beach for 1992. The Beach has been awarded $680 in Federal funds for Hurricane Bob damage. Other FEMA reimbursements, amounting to about $20,000, will be assigned to the General Fund and distributed to the affected departments should they have budget shortfalls later in the year.

Wilkinsonville Playground Committee

Connor reported that a petition is being circulated by Wilkinsonville residents who have formed an ad hoc committee to attempt to plan a playground similar to the one at Veterans Field in Manchaug. About 25 people attended an organizational meeting in the Wilks Fire Station. LaBonte and several members of the Veterans Field Committee were present to offer advice.

Meetings are held every Wednesday, either in the Fire Station or in the offices of the Wilkinsonville Water District.

Officers elected by the ad hoc committee are: Chairwoman, Elaine Wilson; Treasurer, Elaine Brehio, Vice Chairman, Fran Couture; Secretary, Kim Bileau; Publicists, Randy Weber and Brian Rajotte. The group has looked at several locations and is planning to meet with the Selectmen later in the year for help and advice.

Library's Long Range Plan

The board acknowledged receipt of a Long Range Plan for the Sutton Free Library. The plan was developed by Librarian Joanne Donnelly. Included was an analysis of current usage, the most startling result being the almost equal usage by adults and children. "People tend to think of the Library as being used primarily for children," Donnelly said, "but our tabulations of a year of data showed adult usage exactly equal to children's." Donnelly started her analysis in 1988 when she assumed her post, but the availability of the town computer enabled her to prepare this comprehensive 26 page report. According to her estimates, the present authorized expansion of the library should be adequate for the next 10 to 15 years.

Blois reported that the Worcester Library assisted Donnelly in the printing of the document and is considering its use as a model for library planning throughout the county.

Strieby surprised Blois by reading a paragraph of "thanks" that Donnelly had included with the report.

Library Trustee Carl Hutchinson remarked that it might be helpful to the Selectmen to solicit input from other town departments prior to their annual evaluation of the Administrator.

Manchaug Haunted House

LaBonte reported that over 400 people visited the Haunted House near the Manchaug Library. The idea was conceived by the Veterans Field group with "tremendous help" from the Junior Class at the High School. The Veterans Field recreation fund will share the income of $800 from the project with the Junior Class.

Hydrants

Blois reported that the Northbridge Selectmen have reviewed the material relative to working with Sutton on the Hydrant problem and have taken it under advisement.

Blois will meet with the new Town Manager in Northbridge to bring him up to date on negotiations so that he can submit the report the Northbridge Selectmen have requested.

Lincoln Road

The final asphalt coat and berms have been finished on the northern section of Lincoln Road. Driveways on the section are being matched in. The work is being done by Amorello Construction.

Work on the southerly portion has been delayed by the inability to rent a suitable backhoe for the heavy work that needs to be done.

A manhole in question was delivered, but two of the openings were the wrong size. The supplier agreed to pay for the cost of reworking the manhole to fit. Part of the pipe has been laid, and as Blois said, "the project is in hand."

Tanks on Okonite Property

At the Town Meeting, it was agreed to accept a gift of land near the Highway barn pending an agreement by the selectmen that tanks on the property were not a hazard. Inspection indicated that the tanks were never in the ground, had been placed there inadvertently, and had been removed to the abutting land of their owner. It was unanimously voted to accept the gift.

SUTTON from Page 7

Northbridge Racetrack

Blois reported his attendance at an informational meeting on a racetrack proposal for Northbridge, and said he plans to attend the Northbridge Special Town Meeting on November 12. "I can tell you quite candidly that I learned nothing at that (informational) meeting," Blois said. The information was general about horses and racetracks, "but they didn't tell me anything about the site, what they were going to do with the traffic or where they were going to put the people."

Blois said opponents and proponents talked about 600 employees, 3700 patrons a day, a $500,000 per year payroll, five day winter and six day summer operation, 880 cars per night and how the horses are checked.

Connor asked about the proposed entrances to the track.

Blois said they were not clearly indicated.

LaBonte said he thought they might be referring to an old gravel pit entrance on 146, but Blois could not confirm that. "I was under the impression that this whole thing was dependent on the State going along with Off Track Betting," Johnson said.

"They sort of said that last night," Strieby said.

Hartness Road Sewers

Developers of 210 homesites in Colonial Acres and Orchard Estates are "progressing to the point where they may be ready to open Hartness Road for sewers," Blois said. A bond has been posted, and a certificate of insurance is awaited. Blois said, "Literally, the contractor changes daily."

There are 8500 feet of sewer to be laid, and it is questioned whether this can be done before the December 1 cut-off date for road excavation.

The road will be open to school buses with restrictions. Smaller vehicles will be used for smaller children, while older children will have to walk from drop-off points.

Johnson wanted assurance that a sufficient bond will be held back for a reasonable time to be certain the sewer is correctly laid.

Town Engineer Wharton said he felt safe with the held-back bond.

Treasurer's Report

Treasurer David Perry presented an update on town finances, with particular emphasis on cash flow. He said there has been no tax anticipation borrowing during the past two years, resulting in the town having an "A" credit rating from Moody for the last bonds. Because the tax bills are running about a month late, and because school principal and interest payments are due in addition to routine payments, it will be necessary to borrow $1,150,000 from November 14 to December 5 at a maximum cost of $3,403 in interest.

Perry felt that borrowing for only 20 days would not affect the town's rating on future borrowing. "For us to get through November 1st as we have and still have $900,000 in cash in the till makes us a pretty healthy town," he said.

In answer to Johnson's question as to whether State money was coming in on schedule, Perry replied, "I'm receiving Cherry Sheet money in a timely fashion."

Strieby asked if quarterly tax bills would help cash flow. Perry said it would, but Blois said he did not have enough information to validate that possibility at this time.

Perry reported that as result of an audit, the Millbury Credit Union learned that legally they are not allowed to hold municipal trust funds. He therefore transferred Trust Fund money to a Master Account at Boston Safe Deposit, at a slightly higher interest rate.

Both Johnson and LaBonte expressed regret that a local institution was barred from holding local money.

Street Lights

The Highway Safety Committee has not rendered an opinion on the fate of the requested-to-be-relit street lights. Blois had made a personal inspection and reported the area in fairly good shape except for the intersections of Reservoir Avenue and First and Second Streets. Ledge Street is totally pitch black, he said.

Blois felt that three lights at those areas would be satisfactory since the brightness of today's lamps and their improved lenses give superior light.

LaBonte repeated his warning that with the passing of daylight time there would be a problem. "There is no doubt in my mind," he said, "and I'm sure the Public Safety Committee will agree. I think to wait a week or 10 days, or whatever it is, is too much. I'm going to make a motion that the lights be replaced at Reservoir Avenue at First and Second Streets and on the pole recommended by Blois on Ledge Street."

Chizy remarked, "I think Rick is well within the limits of his patience. I'll go along."

Johnson, saying he agreed with the need, thought it was unwise to ask a committee to make a recommendation and then to bypass the committee.

Chizy said he agreed with Johnson, but added, "If a request lasts for 3 or 4 months I would say the Board of Selectmen has every right to jump in and make a decision. Enough is enough."

Connor asked Blois if he felt these three locations would be in that order on the Safety Committee's list. Blois said 'yes.'

The motion to turn on the lights was passed with Johnson abstaining.

Teacher's Union Complaint

The Town was notified by the Massachusetts Labor Relations Commission on October 11 that it has been charged with prohibited practices by the Teachers Union. The issues involved are: a request for a listing of teachers' union dues collected from July 1982 through April 1991, the non-receipt of certificates of life insurance, and the inclusion of teachers in the so-called "cafeteria plan" to pay group health and life insurance premiums with "pre-tax" dollars.

The Board went into Executive Session at the close of the regular meeting to discuss the charges.

Adult Soccer Class

MILLBURY - Millbury Adult Education has announced the formation of an Adult Soccer class to be held Monday evenings at the Shaw Elementary School, beginning December 2. The class will be conducted by Eduardo Maon who inaugurated and developed a similar program in Woburn. The fee for the ten-session course is $25 and students may pre-register by sending name, phone number, and accompanying check to R.D. Sullivan, Director of Adult Education, Elmwood Street School, Millbury, MA 01527. Checks should be made out to "Millbury Adult Education." The class is limited to 20.

Early Announces OSHA Hotline Number

WASHINGTON, DC - U.S. Rep. joseph D. Early (D-3rd Dist) announced that the U.S> department of Labor's office of Occupational Safety and health Administration (OSHA) has established a hotline for reporting workplace emergencies. The tool-free, 24-hour hotline became operation October 21 for the reporting of emergency threats to worker safety such as fire hazards, risks of explosions or release of toxic chemicals. The number is 1-800-321-OSHA (6742).

Callers will be asked to provide their names, daytime telephone numbers and zip codes, but name and phone number are optional. Action will be taken on non-emergency calls by 11 a.m. the following business day by the appropriate OSHA area office.

Office Hours

SUTTON - Representative Richard T. Moore will hold his November office hours in Sutton on Thursday, November 21, 7:30 - 9:00 p.m. at the Manchaug Library.

Across the nation, libraries, schools, and bookstores celebrate National Children's Book Week during the week of November 10 by highlighting the winning combination of children, books and reading. The Millbury Public Library will be celebrating this annual event with a visit from Millbury Kindergarten classes on Tuesday, November 12 and the presentation of Bookmark Contest Awards on Thursday, November 14 at 6:30.

You can have your own National Children's Book Week by visiting the library's children's room and checking out a book to share with your young readers.

From My Window on Farnsworth Court

By "Pastor Rae" Cameron

Well, it seems we have three sergeants from our police department who have done very well on the examination for police chief. Congratulations to all of them, and our prayers for God's guidance in the selection of our new chief.

From where I sit, Millbury is a fine law abiding town for the most part. Oh, we have our problems once in a while, and I probably don't know the half of what does go on in town. We have to be realistic, though, and realize that we are all capable of unlawful acts. Our police force is here to make sure that we do keep the law or pay the consequences.

When I was a wee lad down in Waban, we had a patrolman named "Mike" who was always there in the middle of town. We all knew him, and he knew all of us kids as well. What a shock one day when he showed up at our house out of uniform. It was a friendly visit as he had some business with my father.

How about a patrolman for our town? He could be there to help the school children who come thru town, and he would get to know them. Then he would be there to help all of the elderly that have to cross over our busy streets. He would also be available for the protection of our businesses. Excuse me for the masculine gender, this person could very well be some very nice lady.

Sin and evil are ever with us. The Bible tells us that the powers that be do not carry the sword in vain and that we should fear them when we have done wrong. Force is necessary, but there is another solution as well, and that is love. There used to be an advertisement for an oil, "tough, but oh so gentle." Our God is tough on sin and its consequences, but also in love offers us forgiveness and deliverance if we will put our trust in Him. Amen.

Family Math Program

MILLBURY - Shaw Elementary School's Family Math Program will begin on Wednesday November 13, from 7-8 p.m. in the Cafeteria. The children and their parents will be separated into two groups: Kindergarten through third grade and fourth through sixth grade. Each group will be allowed time at several stations where they will participate in different math oriented games and projects.

The Millbury School Connection volunteers began this evening for families last year with an enthusiastic response from all involved. Help your children to see the "fun" in math by participating in these activities with them.

Millbury Tax Bills

MILLBURY - The first half of fiscal 1992 Real Estate and Personal Property Tax Bills were mailed October 18, 1991. They are due in the Collector's office on November 18, 1991, 30 days from the postmark. Payments received after November 18, whether in the office or by mail, will be subject to interest of 14% per annum from the postmark date.

Thanks, Ian!

CHRONICLE photos by Alexander A. Belisle

SUTTON - Ian McLeod of Colonial Drive gave us another chance to take a photo of his annual Halloween party. When we photographed Ian's party a few years ago, the only thing that came out were the legs of his guests. Ian, dressed as Dracula, stands next to "Audrey II," based on the man eating plant from the musical, "Little Shop of Horrors." Ian was assisted in his ghoulish efforts by (photo top right) Kieran O'Callaghanand his father, Michael.

Art Lessons at Sutton Library

SUTTON - Would you like to learn how to make a pre-Columbian creature pot out of clay-or the techniques used by the Impressionists-or why and how American Indians made Kachina dolls? You can learn about these art forms by attending a series of art workshops at the Sutton Free Public Library for only the cost of materials. Each class will consist of a slide presentation followed by a hands-on art activity resulting in a finished product.

Register for the three-week series at the library as class size will be limited to 18. The lessons will take place on Saturdays, November 9, 16, and 23. Six to eight year olds will meet from 10-11:30 a.m. and nine to twelve year olds will meet from 11:30 a.m. to 1 p.m. This program is funded by the Massachusetts Arts Lottery as administered by the Sutton Arts Council.
